Dear Priya,

It is extremely thoughtful of you to plan a get-together for all of us. I wish I could join you, but I am sorry to say that I have a project starting next month, and it would not be possible for me to be there. If there is any way of postponing the get-together to any time before the month-end, I can definitely make it to one gathering.

I hope we can reschedule the get-together. Waiting to hear from you.

With love,

Raj

Comprehension

To Comprehend means 'to understand and grasp'. A Comprehension exercise is, therefore, meant to test a candidate's ability to understand and retain the contents of a given passage.

Trend of Questions:-

In this type of questions, generally a long passage consisting of certain paragraphs is given, followed by 10-15 questions based on it. The

questions may be based on:-

- i) Theme of the passage The subject of the talk
- ii) Choosing the correct or wrong statement on the basis of the given passage
- iii) View of the author regarding the main point discussed in the passage
- iv) Synonyms or Antonyms of some selected words in the passage.

Technique of Solving:-

- 1) Read the passage carefully once and detect its theme.
- 2) Note what the questions are about.
- 3) Answer the questions.

Notes In questions on Synonyms and Antonyms, what is to be remembered is that the answer is to be given according to the sense in which the word has been used in the passage, not just on the basis of its literal meaning.
